Docket No. 98N-1265  
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I would not be alive today had  
it not been for the progesterone prescription  
(my compounded natural hormones) from  
Women's Health America. It relieved  
my PMS symptoms and allowed my  
daughter to have a mother.
